EXPERIENCE

Game Developer

Shadow Wizard Games ━ 02/2024 - 06/2024 ━ Barcelona, Spain

This was a small student studio developing its first major 3D video game project. We built a custom engine using OpenGL and developed a 3D video game on it.

- Lead a development group responsible for designing and implementing user interface (UI) systems.
- Developed a comprehensive mission system, adding missions that contributed to the game's overall narrative.
- Implemented continuity mechanics, including save/load system, enabling players to seamlessly progress through the game.
- Integrated game's storyline, ensuring a cohesive narrative that aligned with the game's technical capabilities.

PROJECTS

My Anime Rank: Lead Software Developer

━ 09/2023 - 06/2024

🔗 https://github.com/D-Duo/MyAnimeRank/releases/tag/MyAnimeRank_v1.0

- Developed an anime ranking app using Flutter, with profile data storage and real-time data retrieval from the Anilist API.
